

# EXPERIENCING SIFTING CHALLENGES?

- MULTIPLE CYCLES TO COMPLETELY SIFT BREADING?
- MANUALLY PUSHING BREADING DOWN INTO THE SYSTEM?
- BREADING IN YOUR WASTE PAN?

**IF SO, IT'S TIME TO  
REPLACE YOUR BRUSH.**

Replacing the brush is affordable and keeps your sifter operating at top speed. Contact your parts supplier or visit [parts.ayrking.com](https://parts.ayrking.com).
