

HP Sales Northeast Presents:

# A Beginner's Guide to HP Sales Northeast Service Department

[www.hpsalesne.com](http://www.hpsalesne.com)

TRAINING

# Factory Trained & Ready To Go

Our service team is factory-trained to handle the most advanced Henny Penny equipment. They undergo rigorous annual testing to maintain their certification, ensuring they stay up-to-date with the latest industry standards.

PREVENTATIVE  
MAINTENANCE

# Proactive Care, Longer Life

Our service department focuses on preventative maintenance, ensuring that your kitchen equipment is in peak condition. Our team inspects for signs of wear and tear, replaces high-wear parts, and cleans critical components.

RAPID RESPONSE

# Minimize Downtime, Always

Our service department prides itself on rapid response times, with a **90% first-time fix rate**. Because our technicians maintain mandatory stock of a wide array of replacement parts, we can resolve most issues on the first visit, reducing the disruption to your operations.

SUPPORT

# 24/7 Technical Support

Henny Penny offers 24/7 technical support, ensuring that help is always just a phone call away. Their support line connects you to experienced technicians who can guide you through troubleshooting steps or dispatch a team member if on-site assistance is needed.

TRAINING

# World-Class Service

We believe that great service is about more than just fixing things—it's about building a partnership that helps your business thrive. With our factory-trained technicians, fully stocked vehicles, competitive rates, and commitment to quick response times, we ensure your equipment gets the right care it deserves.
